**Lot 1 Eros 4Y White Red Stag –**

From the breeding of Big Red over Hinds from Pat and Sandra Garret purchased infawn. Big Red was purchased as the Trophy breeding sire from Love Red Deer and used over the 40 Mixed age Red hinds. The white hinds from the Garret herd go back to those imported from Danish Royal Park.

This mating season, 2023 over half of the fawns born are white from the 20 hinds bought in from an unrelated herd. Not only is this stunning Sire showing his length and roundness of antler from Moccona and Awesome he is showing that wow factor from Warlord and Adonis and the strong multi pointed long tops of the Furzeland Carbine. This is a strong breeding stag that is showing he is passing it on. This Stag is only 4 and estimated to be 500 IOA a possible record for a New Zealand White Red Stag.

He is being offered for sale with no conditions. He can be taken this year or held and taken next year and all options available to the successful bidder. Unfortunately from the photos of the 15th Dec 2023 Cover and the 24th December 2023 above he has damaged his right outrigger. As of the 4th Jan it is still attached.
