Two-year-old sire stags and 13 month hinds

Also two-year-old velveting stags

Welcome

On behalf of myself and Mel, I would like to welcome everyone to our 32nd on farm sale.

It has been a great season on the sunny south coast with plenty of sun and enough rain to give great grass growth. Our two year olds have certainly reflected that, looking fantastic with lots of grunty heads.

Progeny from Split Ends, Sefton and Howard (AI) have certainly shone through with four heads over 6 kg in the sale line up. Our early lots pack a lot of velvet punch, with thick round beam. Lot 1 with 6.42 kg of velvet on a big cruisy stag takes a lot of beating as a sire.

Size is very important to us which comes through in this year's line-up, with stags with good wean and 12 month weights complemented by quiet temperament.

We have retained one of our two year olds as a sire. He is a Howard son from AI which cut 5.42. While not super heavy, he has a straight round beam and near perfect style, plus he is big and super quiet in the shed.

The yearling hinds are represented by all our sires with 12 month weights up to 113 kg.

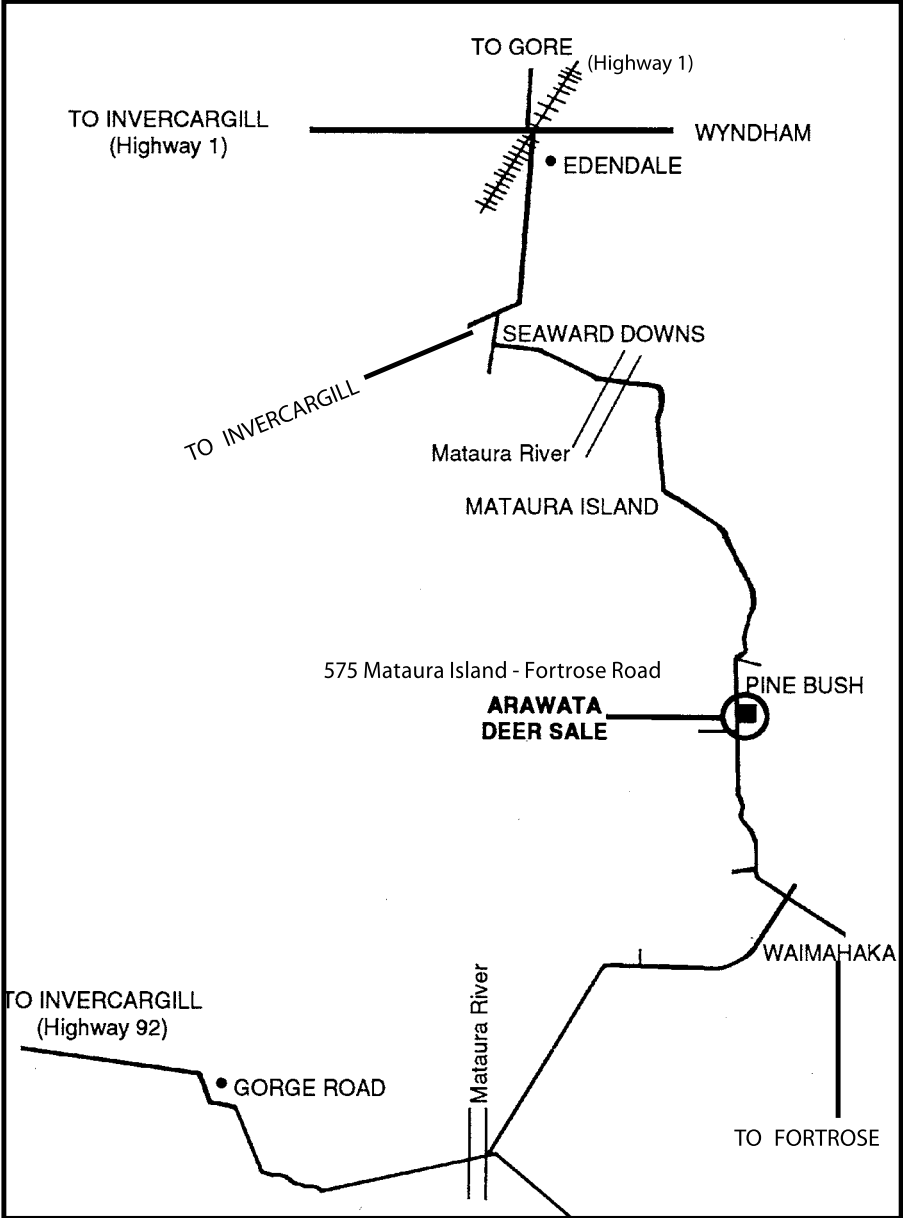

There is a great choice of proven bloodlines to choose something from to complement and enhance your breeding programme. Breeding is a long term game so not investing in the quality animals can have long term implications for farms future animal performance.

As always cataloguing two year olds before the Christmas break has its challenges. There will be some that won't have velvet weights but as always these will be available online along with sale live weights in the early New Year.

We hope you have a great Christmas and New Year and that we see you at Arawata on Thursday 12th January.

Kind Regards, John and Mel Somerville

Half Share: Owned in partnership with Geoff Elder (Altrive Deer). He was purchased from Netherdale. He was the sales top stag with an exceptionally strong 3 yr head with correct tyne placement. He cut a 9.0 kg head at 4 years, which was placed fourth in the National Velvet Competition 4 year Red Class. He cut a massive 12kg at 5yrs last year. Unfortunately he died that year.

He was the 2016 season's best velvet sire with a tremendous 8.20kg 3yr old head. At 4yrs he went on to cut a very balanced 9.0kg's which was placed second in the 4 year class in that year's National Velvet Competition. A truly great sire in the making.
