# 2019 Hind sale

**Live online sale – Tues 30th July 2019 7.00pm**

Offering 40 mixed age in-fawn hinds

**4th place 4yr olds Nationals 2018**

34-14 – x Netherdale's Harlem

10.4kg SA @ 4y sire at Altrive.

## welcome

Welcome to our live online hind sale. At our January 2019 stag and yearling hind sale the only animal that a reserve price on it was lot one. We decided all the rest were for sale at whatever price you the buyers were prepared to pay. The stags averaged \$21,000 and our 60 surplus yearling hinds all sold with a very good average price and a top price of \$7,000.

For this online auction we have decided to have **no reserve prices at all** with an upset or starting price of \$900.

Once again we have had a successful ET program which means that we are able to offer hinds for sale that would otherwise be retained. Most of the 40 hinds on offer in this catalogue are too young to have had a son velveteed at 2 years of age to really show their potential but the fact that they didn't get sold as yearling hinds in conjunction with our January stag sales show that we really rated them. We are offering this selection now but we are finding it really hard to make decisions on what to sell and what to retain. Any of these hinds could produce a really top stag.

The dams of lot 1 and lot 3 in our 2019 stag sale we had sold in previous mated hind sales. All the dams in the pedigrees of these hinds are by really top sires of their era. With over 40 years of stud breeding I know that just because an animal in a catalogue is by a top sire doesn't guarantee it will breed it on, but I am confident these hinds will. When you read the comments under the pedigrees of the individual animals in each pedigree I think you will agree. Virtually every dam in the pedigrees has produced sons cutting 4kg or better at 2 years of age.

All the hinds have been scanned in fawn to our top sires.

Check out our sire pages in front of catalogue and for older sires check out our website. [www.altrivereddeer.co.nz](http://www.altrivereddeer.co.nz)

We wish you well with your purchases.
