Designing Antlers

Rockafella @ 3yrs

HIND SALE

**1.00pm Monday 10th July 2017
188A Discombe Road, RD3, Hamilton**

Conditions of Sale

1. The sale will be conducted by Neville Clarke under the auspices of the New Zealand Stock and Station Agents Association according to their usual terms and conditions.
2. As is customary all purchases will be at the buyers risk from the fall of the hammer.
3. Deer will be sold under individual Lot numbers as catalogued.
4. No deer are to leave the property until satisfactory payment arrangements have been made with the vendor.
5. The sale will be conducted exclusive of GST.
6. Disclaimer: All details in this catalogue have been supplied to the Auctioneer by the vendor and although every care has been taken to ensure accuracy, the auctioneer and their employees do not accept any responsibility or liability as to mis-description, errors, omissions or mis-statements caused either directly or by the negligence of the auctioneer or their employees.
7. An over riding commission of 4% will be paid to non participating companies providing PRIOR ARRANGEMENTS (i.e. No later than 24 hours prior to sale day) are made with Joe or Sue. There are no exceptions to this rule!
8. No animals, embryos or semen sold by Crowley Deer or their germ plasm, any subsequent progeny or germ plasm, including the semen and germ plasm of that progeny, may be supplied to any third party without the written permission of Crowley Deer. This condition does not affect normal commercial deer farming or stud farming on their normal sales of semen or embryos as it only applies to entities with the primary function of commercial semen/germ plasm activity.
9. Suspicion of loss of pregnancy in Sale Hinds needs to be veterinary verified before going out into fawning paddocks, NOT afterwards, in order for Crowley Deer to replace or credit a Hind purchased.

PLEASE ENSURE THAT ALL DOCKETS ARE SIGNED GIVING EXPLICIT TRANSPORT AND ANY INSURANCE INSTRUCTIONS TO OUR CLERK, SUE DOUGLAS BEFORE LEAVING THE SALE

Insurance

Livestock insurance will be available on the day.

T.B Status

The property is T.B Accredited.

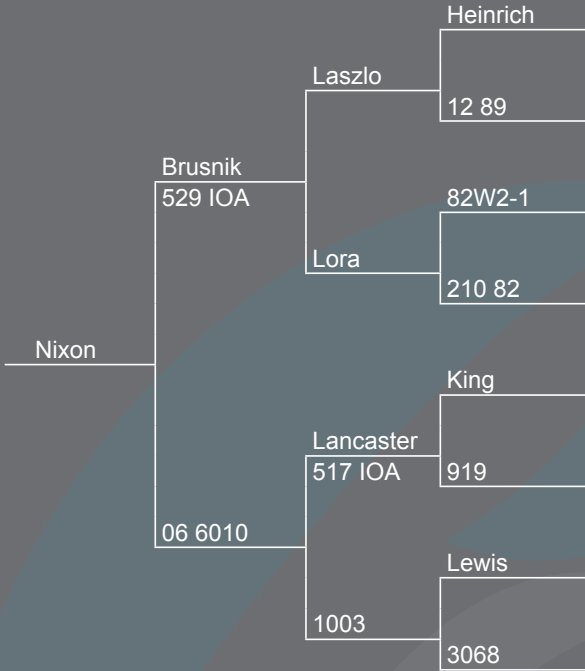

The last test being performed September 2014 No. 4044 908 C10

NIXON

CROWLEY
DEER

Designing Antlers

Age	Live Wt	Score/Velvet Wt
2	200 kgs	
3	270 kgs	515 IOA
4		660 3/8th IOA
5		810 3/8th IOA
7		885 IOA

Phenomenal stag in every respect, massive body, massive head, superb temperament and the most important factor his pass on ability – fantastic!

His top 3 sons from his first small crop of 7 scored 611, 600 and 520 IOA at 3yrs. Nixon was sold after the roar in 2015 for what is most likely to be a record for any red deer sold worldwide @ \$300,000.00

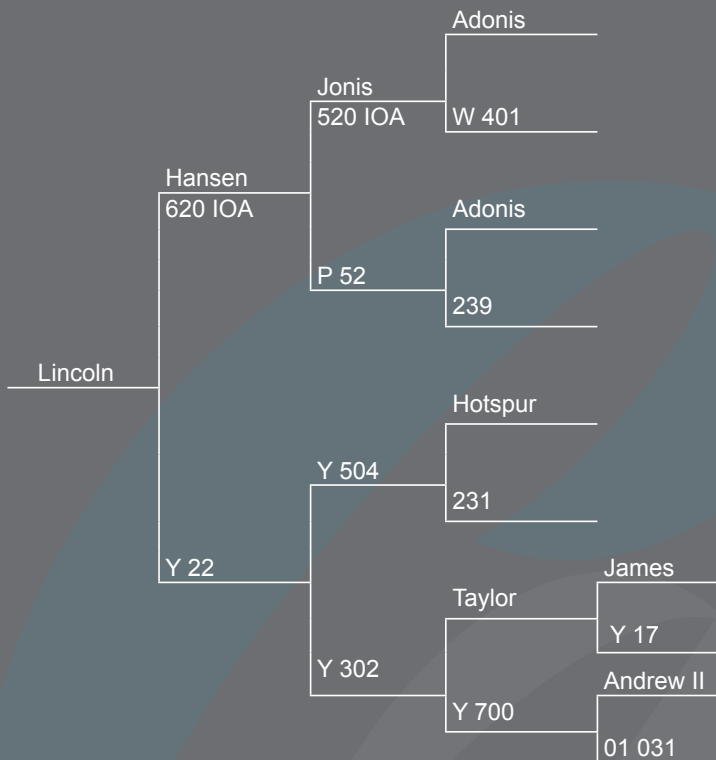

LINCOLN

CROWLEY
DEER

Designing Antlers

Age	Live Wt	Score/Velvet Wt
1		428 IOA* 1st Rising Stars 2010
3		528 IOA* 3rd Rising Stars 2012
4		611 IOA

Lincoln was one of the most attractive stag's id ever laid eyes on. Huge spread (when Lincoln was retired his inside span was an amazing 38") big beam, long bez and trezs and clean open royals. He was used to introduce a predominantly English line which we intend to build on with new sire Origin. The consistency in his son's antler architecture is quite remarkable.

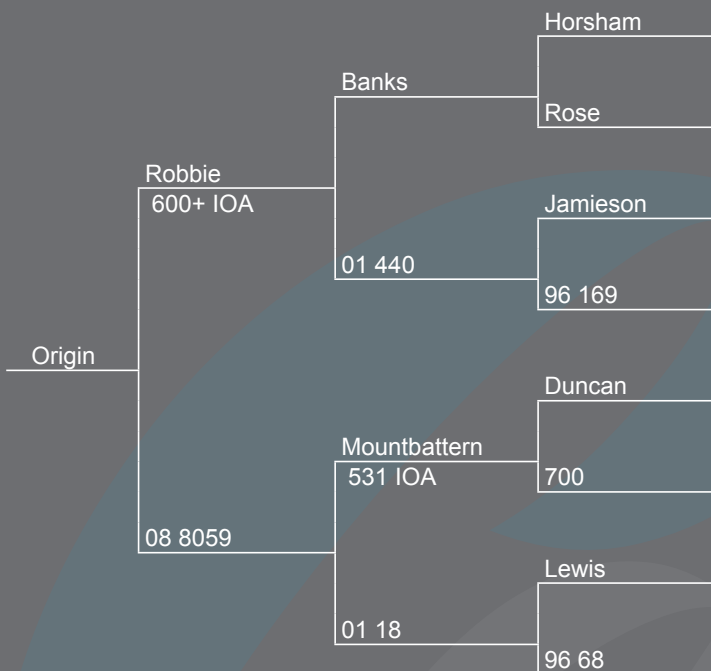

ORIGIN

**CROWLEY
DEER**

Designing Antlers

Age	Live Wt	Score/Velvet Wt
1		60 Points
2		409 IOA
3		546 IOA
4		581 IOA

Origin has been used predominately to cross with Lincoln daughters. He has long clean bottom tynes and mega long clean royals which are very appealing traits we hope he will pass on. Crossed with Lincoln's extreme width, you can envisage the design I would like the resulting male offspring to produce. Origin's pedigree is a who's who of top English genetics. His sire Robbie \$70,000 was top priced sire sold in 2012. Grand sires Banks sold for \$142,002.00 and Mountbattern for \$95,000. His dam is also out of a full sister to former World No.1 Prince Phillip 662 IOA.

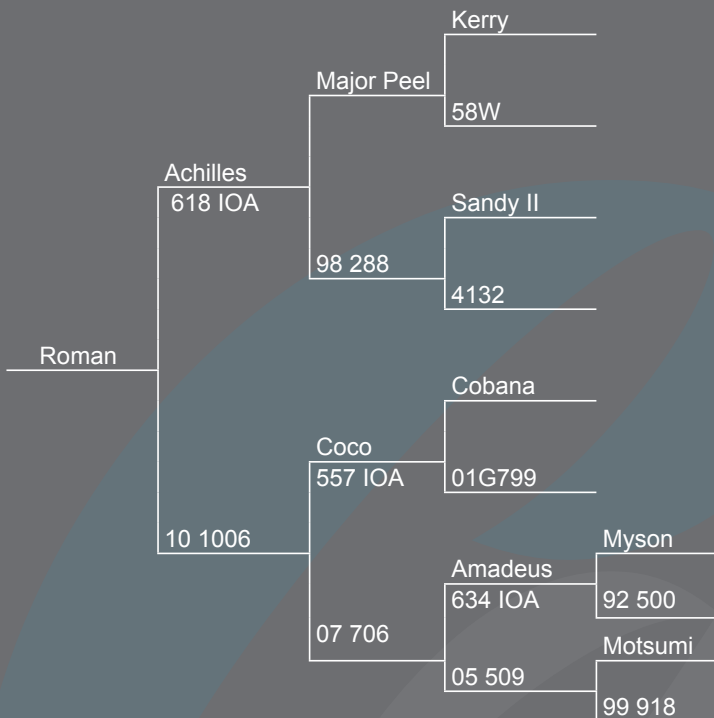

ROMAN

CROWLEY
DEER

Designing Antlers

Age	Live Wt	Score/Velvet Wt
2	195kg	435 IOA
3		544 IOA
4		661 IOA

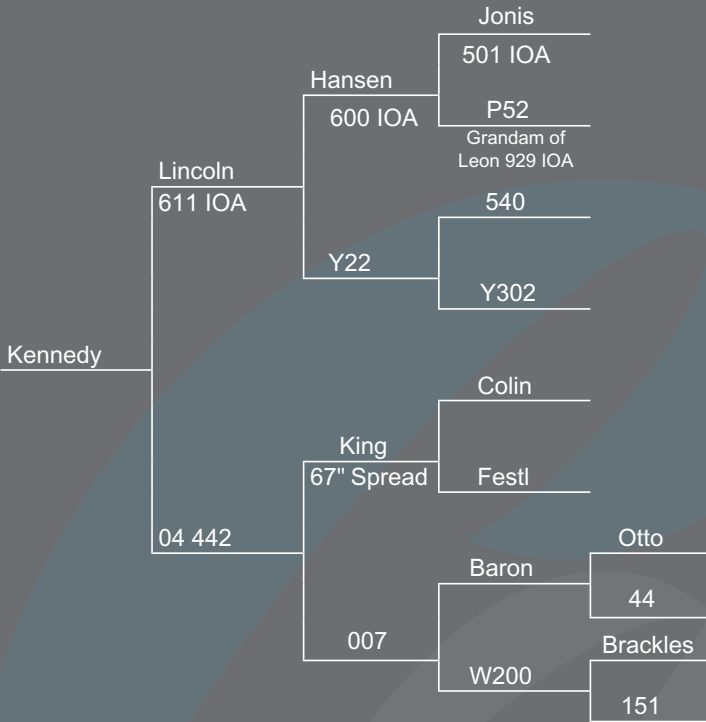

Roman has a very attractive antler style with an outward flowing head, good beam and excellent open multi pointed royals. From a top dam line that has produced the likes of Fig Jam 800+ IOA, Motdonis 725 IOA, Zidarn 653 IOA, Jabuka 602 IOA and Caviar 418 IOA @ 2.

KENNEDY

CROWLEY
DEER
Designing Antlers

Age	Live Wt	Score/Velvet Wt
3		551 IOA

Kennedy has one of those heads that instantly catches your eye, 39 and 41 inches long, wide and clean with 41 points. He is a half-brother to Tower Farms Fig Jam - 800+ IOA.

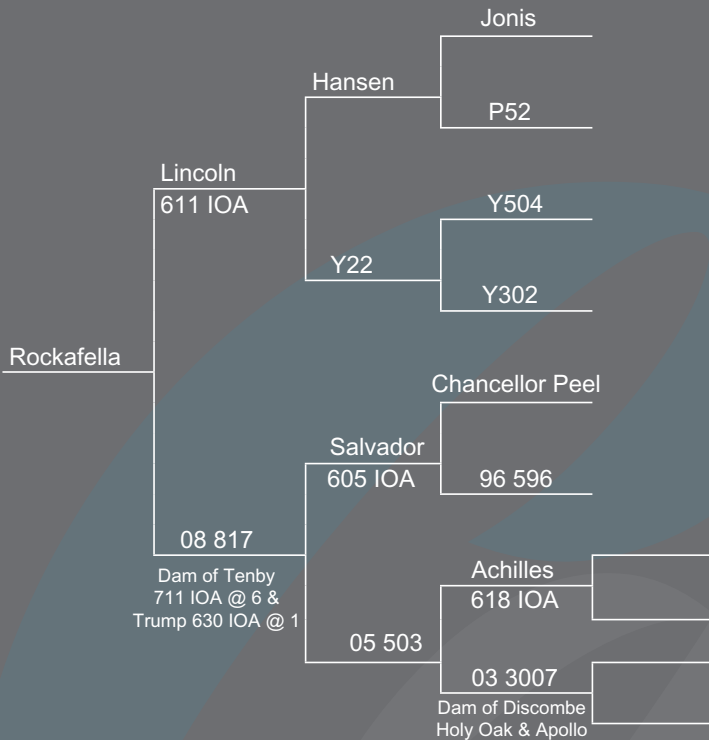

ROCKAFELLA

**CROWLEY
DEER**

Designing Antlers

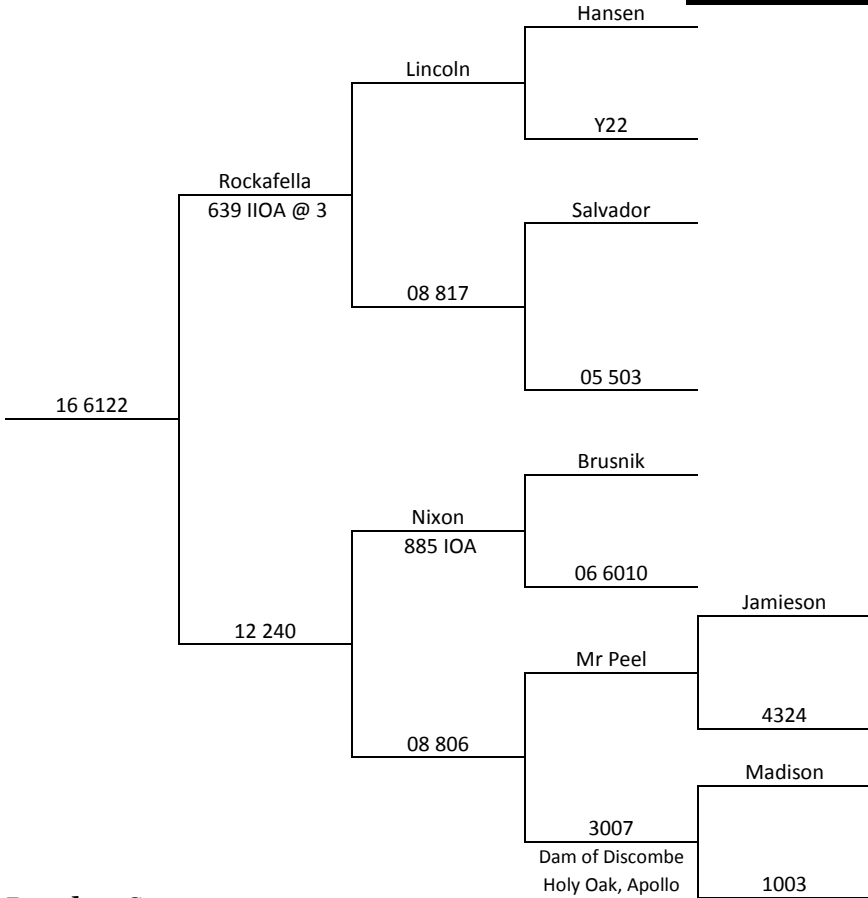

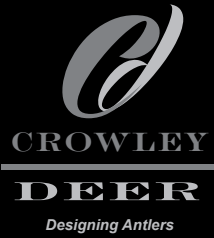

Age	Live Wt	Score/Velvet Wt
2		548 IOA - 1st Rising Stars 2016
3		639 - 2nd Rising Stars 2017 - Peoples Choice H.A

Rockafella is a very special animal, he is exceptionally quiet and his antlers are incredible – long, wide, heavy and multi-pointed. His full brother Trump set a new record for a 1yr old with 630 3/8th IOA and full sister a new record for the highest priced hind sold @ \$55,000.00. Rockafella was 2016 2yr H.A Champion scoring 548 IOA including spread and burrs, in 2017 he was second in the 3yr H.A with 639 5/8th IOA including spread and burrs and was also awarded Peoples Choice Hard Antler.

Lot No.
1

Tag No: 16 6122
Age: Weaner Hind

Breeders Comments:

Mesmerizing combination of Rockafella over a Nixon daughter. Dam 240's first son by Summor unfortunately had to be put down at 7mths of age with a broken leg, her second son by Columbia is rising 2. Grandam 806's first son by Fig Jam was 5th behind Deer Genetics sires Leonides, Imbrius, Phantasos and Hilderic in the 2015 rising stars 3yr H.A competition. 806's first daughter by Tarentino is also dam of Lochinvines star white sire Talcom! Outstanding Tower farms hind 3007 (Pepper) is also three back on the bottom line – the same place she sits in Rigbys pedigree - who was the highest price stag sold on this year's sale circuit by Tower Farms for \$138,000.00 and scoring 644 IOA @ 3.

Breeders Comments:

Unique combination of Rockafella across the stylishly clean and attractive Summer. This is 427's first fawn, grandam 12 260's second daughter is by Leon with her first male offspring a weaner by Origin. 10 1014's first three fawns were all girls by Nixon with her first son rising 2 this year. 4040 has been a fantastic producer of sire stags with Obama by Warlord \$18,000, Horse by Nixon \$18,000 and 1029 by Lancaster \$8000.

Breeders Comments:

Great opportunity to get your hands on an exceptionally well bred Lincoln daughter. Warlord Dam 1017 is a full embryo sister to 1016 the dam of Hudrock by Lincoln sold this year for \$60,000.00 to the Brocks and Hudsons. He scored 590 IOA @ 3. 1016 also produced last year's 1yr H.A Champ Rio 421 IOA. Dam 1017 has already produced daughters by Caviar and Nixon sold for \$2,100 to Tower Farms and \$5,000 to Peel Forest Estate. We think so much of this bottom line we leased Grandam 5004 and her half-sister by Motdonis last year from Tower Farms to E.T. A limited number of Lincoln daughters will be available in the future with only 6 produced by A.I in the last 2 years.

Tag No: 16 698
Age: Weaner Hind

Breeders Comments:

We only have three females bred this way (Nixon x Lincoln) and this weaner hind is a cracker. Nixon over 11 18 produced a 40pt 3yr stag this year which I estimated between 500 - 550 IOA, adding Lincoln in the mix should only enhance the ability of this young hind to produce astonishing male offspring. Awesome son Jim was used in 2011 to introduce a sire line that didn't have the popular Adonis, Brusnik and Chancellor Peel blood. Jim sired lots 1 and 2 in our 2015 stag sale and the latter was top price for us that year.

5

Tag No: 16 673
Age: Weaner Hind

Breeders Comments:

Weaner hind 16 673 is by our quiet achieving sire Roman who went from 544 IOA at 3yr to 661 IOA @ 4 (master measured by Hub Hall) an increase of 117 inches and outscoring Nixon at the same age! This pedigree has a superb mix of different furzeland blood with Achilles and Chancellor Peel and eastern from Huneric and Coco which will hopefully produce big open structured antlers with plenty of points. Dam 13 3593s first fawn by Origin is in our No.1 spiker mob, great grandam Y553 features on the bottom line of 3 sires from Deer Genetics – Hannibal, Genghis and Imbrius DG and 3 out of 4 of DGs new sires (their highest scoring 2yr olds to date) are either by Huneric or out of Huneric daughters.

6

Tag No: 16 652
Age: Weaner Hind

Breeders Comments:

Origin's first crop of 12 spikers this year were consistently the best. His top son had 56 points and scored 572 7/8ths at 1 which blew the previous record away by over 100 inches set by Leon back in 2011. A remarkable feat possibly overshadowed by paddock mate Trump. 16 652 was dam 13 362's first fawn, grandam 11 17's first male offspring is rising 2 by Roman – he weighed 163 kgs @13 mths. Great grandam 4040 has been a fantastic producer of sire stags with Obama by Warlord \$18,000, Horse by Nixon \$18,000 and 1029 by Lancaster \$8000.

Breeders Comments:

Rockafella over a half-sister to the dams of Nixon, Discombe and Holy Oak. Dam 917's first son by Tarentino had a very attractive trophy head with very long tynes and beam, he sold for \$9000 to Mt Cecil in our 2014 sale. Her second son a spitting image of his sire Mathew just cut 7.5 kgs SA2 @ 4yrs it was wide with massive front tynes. We have a daughter and rising 2yr son by Nixon also from 917 and a daughter sold in our last sale by Davidson.

Embryo

CROWLEY
DEER

Designing Antlers

Breeders Comments:

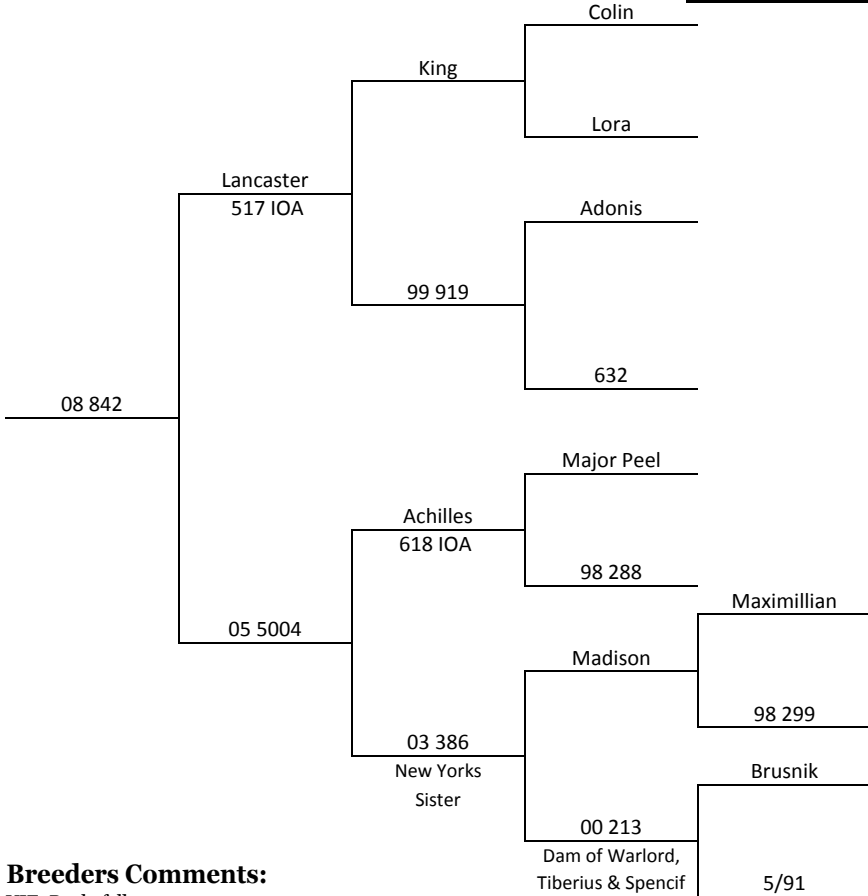

Possibly the highest scoring genetic combination ever put up for sale anywhere! This embryo is the result of 313 being artificially inseminated this year to Nixon, the fawn will be available for delivery in March after weaning. This is unique and the one and only offspring of this specific cross available to date. The top sons sold by these three sires in recent years has been astonishing (Apex – Nixon son \$128,000 Crowley Deer, Rigby- Leon son \$138,000 Tower Farms and Hunter- Davidson son \$90,000 Canes Deer). The combination of these three sires together could result in something extraordinary.

**Tag No: 08 842
Age: R 9yr Hind**

Breeders Comments:

VIF: Rockafella

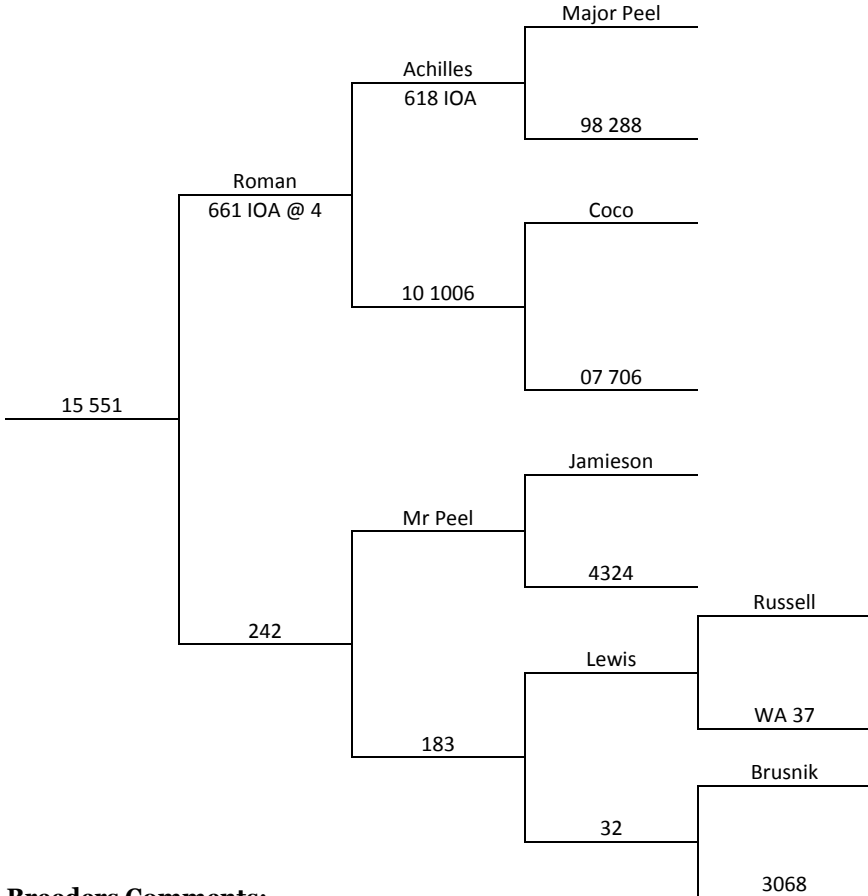

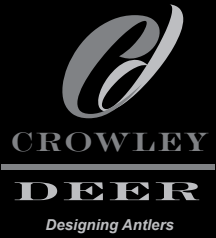

Fantastic hind and dam of Todd sold to Terrence Stirling in our 2013 Sire sale for \$41,000 – 516 IOA, 47 pts and 3rd Rising Stars 3yr H.A. 842 also had sons sold at sale by Mr Peel, Mega Peel and Jim – we kept her weakest embryo son by Mr Peel, he was grown out this year as a trophy and scored 500 6/8ths @ 6. 842 is also the grandam of Hudrock \$60,000 – 590 IOA @ 3 and Rio 421 IOA @ 1, 2016 National 1yr H.A Champ. As mentioned in Lot 3 comments we think so much of this bottom line we leased 842's dam 5004 and her half-sister by Motdonis last year from Tower Farms to E.T. Topped off with a mating to 2017 rising stars people's choice winner Rockafella. We only considered selling 842 as we have 4 daughters by Mr Peel, Caviar, Brusnik and Morpheus.

**Tag No: 15 551
Age: R 2yr Hind**

Breeders Comments:

VIF: Kennedy

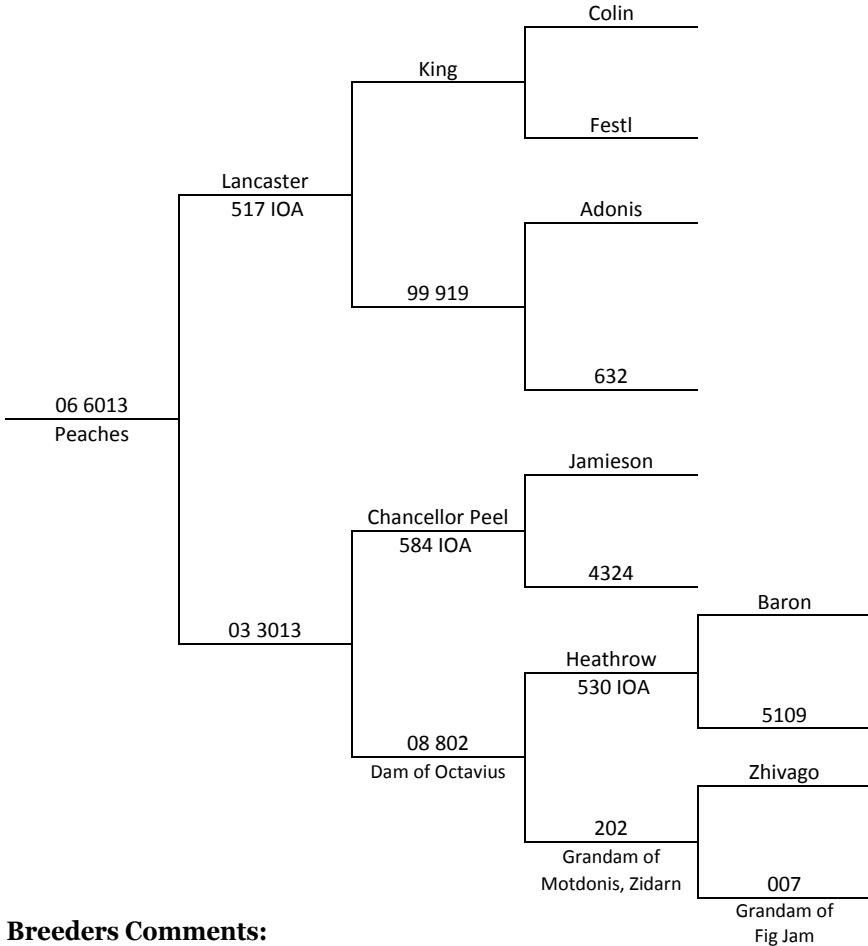

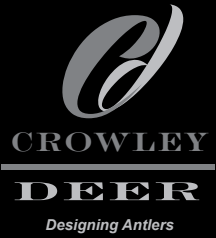

Roman just outscored Nixon for age this year and this hind is the only one in the sale with a mating to new sire Kennedy. Kennedy's head was so heavy he struggled to hold it up! after forgetting to weigh it after he stripped and it was cut off, I did so a 2 weeks later after it had been sitting outside in the sun – it was over 17 kgs! 242's first son by Lewcan got caught in the fence at velveting stage before our first sale. Her two sons since are in our trophy mob by Tarentino (6.25 kgs @ 5 – wide!) and Lincoln (6.1 kgs @3)

Breeders Comments:

VIF: Rockafella

Exceptionally quiet Lancaster daughter, 6013 has had 4 sons – 2 by Motsumi, sold to Canes Deer and Templeton Farms, one by Lincoln in the Trophy mob and a rising 2yr by Roman. Her daughters by Woody and Motsumi have both produced standout 2yr sons by Lincoln last year cutting 4.5 kg SA. One of only two hinds in the sale mated to Rockafella.
