3. Deer will be sold under individual Lot numbers as catalogued.
4. No deer are to leave the property until satisfactory payment arrangements have been made with the vendor.
5. The sale will be conducted exclusive of GST.
6. Disclaimer: All details in this catalogue have been supplied to the Auctioneer by the vendor and although every care has been taken to ensure accuracy, the auctioneer and their employees do not accept any responsibility or liability as to mis-description, errors, omissions or mis-statements caused either directly or by the negligence of the auctioneer or their employees.

8. No animals, embryos or semen sold by Crowley Deer or their germ plasm, any subsequent progeny or germ plasm, including the semen and germ plasm of that progeny, may be supplied to any third party without the written permission of Crowley Deer.
