CONDITIONS OF SALE

1. The sale will be conducted by PGG Wrightson with the conditions of sale as set down by the Stock and Stations Agents Association, a copy of which is exhibited in the office on sale day.
2. Each lot becomes the purchaser's property and risk at the fall of the hammer.
3. Warranties and Insurance are covered under separate headings.
4. Terms are strictly cash unless prior arrangements are made with the auctioneers. Accounts not paid within 14 days of sale shall bear interest, at current rate per annum from the date of sale.
5. The sale is conducted exclusive of GST.
6. A buyers commission of 4% is payable to non-participating companies and recognised independent agents introducing and accompanying purchasers to the sale providing prior arrangements [No later than 24hrs prior to sale] are made with PGG Wrightson.
7. Intending purchasers are required to register with the auctioneers prior to the commencement of the sale.

8. Special Conditions

No animals, embryos or semen sold by Crowley Deer or their germplasm or any subsequent progeny or germplasm, including semen and germplasm of that progeny, may be supplied to a third party without the written permission of Crowley Deer.

This condition does not affect normal commercial deer farming or stud farming or the normal sale of semen or embryos as it only applies to entities with the primary function of commercial semen/germplasm activities

It is a condition of sale of any animals, embryos, germplasm or semen sold by Crowley Deer that the purchaser agrees to include the following clause as a condition of any subsequent sale or gift of any animal, embryo, semen, germplasm or subsequent progeny or germplasm to a third party-"the purchaser acknowledges that it will not supply any animals, embryos, semen or germplasm to any commercial semen/germplasm marketing or sales entity, and will ensure that this clause is inserted as a condition of any sale or gift of any animals, embryos semen or germplasm"

9. Guarantee

Should a stag prove to be infertile from natural causes it is to be returned and it will either be replaced, or a full credit given to use at a subsequent Crowley Deer stag sale. In all events the seller will not be held responsible for loss of production or consequential losses on any animal sold, its imperative you use a back up stag. Notification of any dissatisfaction must be made within 10 months of the date of sale. Crowley Deer takes all care and no responsibility for deer held prior to transporting to purchaser. We recommend you insure your purchase.

Phenomenal stag in every respect, massive body, massive head, superb temperament and the most important factor his pass on ability – fantastic!

His top 3 sons from his first small crop of 7 scored 611, 600 and 520 IOA at 3yrs. Nixon was sold after the roar in 2015 for what is most likely to be a record for any red deer sold worldwide @ \$300,000.00

Origin has been used predominately to cross with Lincoln daughters. He has long clean bottom tynes and mega long clean royals which are very appealing traits we hope he will pass on. Crossed with Lincoln's extreme width, you can envisage the design I would like the resulting male offspring to produce. Origin's pedigree is a who's who of top English genetics. His sire Robbie \$70,000 was top priced sire sold in 2012. Grand sires Banks sold for \$142,002.00 and Mountbattern for \$95,000. His dam is also out of a full sister to former World No.1 Prince Phillip 662 IOA.

5		682 IOA

Rockafella is a very special animal, he is exceptionally quiet and his antlers are incredible – long, wide, heavy and multi-pointed. His full brother Trump set a new record for a 1yr old with 630 3/8th IOA and full sister a new record for the highest priced hind sold @ \$55,000.00. Rockafella was 2016 2yr H.A Champion scoring 548 IOA including spread and burrs, in 2017 he was second in the 3yr H.A with 639 5/8th IOA including spread and burrs and was also awarded Peoples Choice Hard Antler.

This stag could be a game changer for producing offspring with the most important criteria the trophy industry demands – width! He looks to be wider than Rockafella at the same age and he is a half-brother to lot 1 from last year that made \$155,000. This is also the dam line that's given us Jefferson, Roman, Vegas and 14 403 \$50,000.

Exciting cross with Rockafella showing fantastic consistency for passing on his width of antler with dam 08 813's two sale sons cutting 6.4 and 6.9 kg by velvet sires Watson and Buller. Her resulting son when crossed with trophy sire Caviar gave us 13 351, he has a remarkably heavy multi pointed head this year and will be yarded sale day. He cut 12.1 kg @ 4, 10.2 kg @ 5 after a foot issue and was placed 2nd in the NIVC behind the 5yr National Champion from FJ Ramsey

We are very impressed with the very small crop of Roman son's we have this year, his best catalogued son looks to be the stand out over all in this year's line up which is also the same combination as this hind – Roman x Nixon. His top son we unfortunately lost which looked a cut above everything and gives you an idea of his great strike rate. This is dam 15 552's first fawn, her half-sister produced lot 3 Dec 2018 \$16,000. 4040 had sons sold for \$20, \$18 and \$8000.
