**Lot 22**  
4 year stag

Sire: AZTEC - 582 IOA, 28.4 kg SHA @ 9 yrs

Sire of Dam: MCLEOD

AXE is a PURE WOBURN by AZTEC (582 IOA, 50 points, 28.4 kg stripped hard antler @ 9 yrs) who is identical to a whole line of top-end Woburn sires. There is enormous strength of Woburn genetics represented in this young sire's pedigree with great grand-dam 179 on dam's side being the of ALFIE (500+ SCI). Dam 900 a Full sister to KANE, HECTOR & DR. JOHN. One sire side DAm 817 is a full sister to MCLEOD and dam of Bill Oivers AUSTIN. AXE cut 7.1 kg SAII HV @ 2 yrs with 19 points. We used AXE as a 2 yr old over approximately 30 Hinds with no problems. A TOP PURE WOBURN SIRE!
