Thirty-Seventh Annual
Elite Red Deer Sale

Wednesday 10 January 2024

12 noon on the property at Balfour or online

A warm welcome to our 37th and last Netherdale Elite Red Deer Sale. Another year has slipped by with a reasonable kind winter and a great start to the spring before we seemed to go back into winter, so much for climate change.

This year has seen the young sires off to a great start with the 26 month weights up to 230kg. But as you will see a number of velvet heads are uneven as 3 year olds due to possibly the weather conditions while growing.

The velvet season is in full swing as I write this and although the prices are back the demand is good with almost all buyers purchasing. As we are all aware access into the Chinese market for frozen product is coming to an end. I have always felt it's not a matter of if but when the Chinese market moves more product into the sophisticated health sector and this move away from export green could speed up the process.

We are happy with this year's offering, although we do still have some stags to cut, the stags that have been cut have an average velvet weight slightly over 9.00kg, up on last year's 8.50kg. Any stags not cut before cataloguing will have their information available on our website as it comes to hand.

Again, every effort has been taken to cut heads correctly to give you the ability to assess an honest weight and grade. All of the 3 year old stag's velvet will be displayed on sale day, along with photos with heads on. As we have sold the Stud Netherdale will not have any 2 year old velvet stags or 13 month hinds for sale. But, we will be offering a small number of 2th Wiltshire rams following the sire auction.

For those unaware, we do feed crushed grain to our stags from button drop but we do not feed PKE.

As this is our last sale we would like to take the opportunity to thank everyone who has supported our sale in the past 37 years, we have appreciated your support and the opportunity to catch up at least once a year. We look forward to catching up on the **10th January 2024 at 12 noon** or the sale will be online through the bidr auction website for anyone unable to attend . See bidr details in catalogue.

We wish everyone a Merry Christmas and a Happy New Year.

Kind Regards
David and Lynley
Netherdale Red Deer

Very heavy, very thick, tidy velvet. Excellent pedigree with Fleetwood as the sire and 09033 as the grand sire who had a very high EBV for velvet. Wardlaw and Armani were both top stud master sires at Netherdale. An amazing head of velvet.

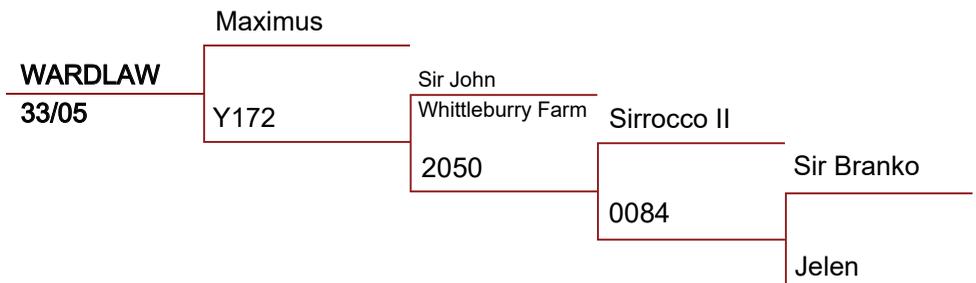

SIRE REFERENCE

Wardlaw (8.60kg SA2 @ 5yrs)

Wardlaw is a fantastic all rounder. Big, quiet and a very tidy velvet head.

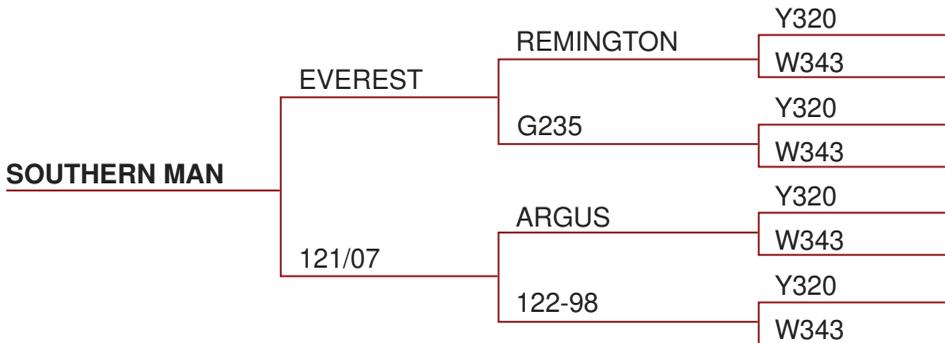

Grown out to SS velvet as a 3 year old with a huge 10.72kg head, very tidy and looking to be a very high scoring trophy. 3 sons have won the National 3yr old competition.

Comments:

Arawata purchased a third share in this amazing stag along with Altrive + Raincliff Station at Altrive's Stag Sale January 2016.

He was the 2016 season's best velvet sire with a tremendous 8.20kg 3yr old head. At 4yrs he went on to cut a very balanced 9.0kg at 4yr which was placed second in the 4 year class in that year's National Velvet Competition. A truly great sire in the making. His first 2yr sons are at this year's sale.
