

## **Conditions of sale**

1. The sale will be conducted by PGG Wrightson with the conditions of sale as set down by the Stock and Stations Agents' Association, a copy of which is available at the agents' desk on sale day.
2. This sale will be hosted by bidr® ([www.bidr.co.nz](http://www.bidr.co.nz)) as a live-streamed auction, with online bidding and a live-stream available on sale day, as well as the normal on-farm format. All intending ONLINE purchasers must register on bidr® in advance of the sale date, by visiting the website and using the "sign up" button, adding their contact information and nominating the agency they would like to purchase through and account held with that agency. The bidr® team is always available to help purchasers get signed up and registered, and the HelpDesk is proudly managed in-house from Hamilton. Please call 0800 TO BIDR (0800 86 2437), or email [enquiries@bidr.co.nz](mailto:enquiries@bidr.co.nz) for assistance at any point. Alternatively, contact Caitlin Rokela, National Territory Manager, on 0274 056 156.
3. Each lot becomes the purchaser's property and risk at the fall of the hammer.
4. Insurance facilities will be available at the sale.
5. Terms are strictly cash unless prior arrangements have been made with the auctioneers. Accounts not paid within 14 days of sale shall bear interest, at current rate per annum from the date of sale.
6. The sale is conducted exclusive of GST.
7. A BUYERS COMMISSION OF 5% is payable to non-participating companies and recognised independent agents introducing and accompanying purchasers to the sale, providing prior arrangements have been made with PGG Wrightson or Sarnia Deer, a minimum of 24 hours prior to the sale.
8. Intending purchasers are required to register with the auctioneers prior to the commencement of the sale.
9. All deer held for the purchaser on the vendor's property will be held at the purchaser's risk.
10. Velveting of all stags (at purchaser's risk) will be carried out by the vendor prior to delivery unless specific request is made to the contrary.
11. All velvet remains the property of the vendor unless otherwise arranged.
12. All deer owned by Sarnia Deer have been DNA profiled.
13. While all stock are guaranteed under a general replacement or credit policy, no liability will be accepted by Sarnia Deer and/or its agents for any production loss due to a stag's inability to sire progeny. It is therefore highly recommended that all newly purchased stags are semen tested prior to being used and a back up stag used as part of your mating programme.
14. Delivery dockets must be signed, giving explicit instructions on transport, de-velvetting and insurance.
